

ETHS Nutrition Services
Part of a Balanced Education

NEW CATERING POLICIES

We have rebranded! ETHS Nutrition Services catering department, is now referred to **Westend Catering and Events**. We have updated our internal catering menu and lowered MANY of our prices! Please see below for additional updated information.

TO PLACE AN ORDER

<https://announcements.wufoo.com/forms/catering-request-form>

NOTE: All events to be held in the Terrace Dining Room **MUST** be catered fully by Westend Catering. If you choose to hold a potluck-style meal or are receiving food from outside of the district, another room must be reserved.

Keep in mind; we want to support our school! So please try to keep dollars within the building instead of giving school monies to surrounding businesses.

POTLUCKS AT ETHS

Private (faculty and staff) group: Invites were send out to specific guests (public not involved) Any private events restricted to private groups, (Girl Scout Meetings, Staff potlucks) would be exempt and not fall under the jurisdiction of the health department.

Temporary food event: Public is invited or tickets were sold to public: **MUST** obtain a permit from the Health Department or have an approved food source make the food- any approved source is defined as any place that is inspected (ETHS WESTEND Catering). Food made from home intended for public consumption is not permitted as a private home is not licensed, permitted, or inspected by a regulatory authority. Again these regulations apply to public events. Public events are those that are advertised to the public as a whole or a “come one come all” advertisement, this is true also when there are ticket sales, and the tickets are open to the general public (Jazz Fest, Bake Sales).

NOTE: If serving utensils, chaffing frames, cambros etc (no food items) will be needed for an event, you will be charged at a fee of \$0.50 per item.
